LECTURE BY MICKEY DEPPE

Thursday, February 7, 2019, at 7:00 pm

Textiles have always fascinated me, from vintage to current, my taste has always been ALL! Sewing in general, mending to garment making, were never a chore. But when I pushed myself beyond traditional quilt making, I found the road less traveled was greatly inviting.

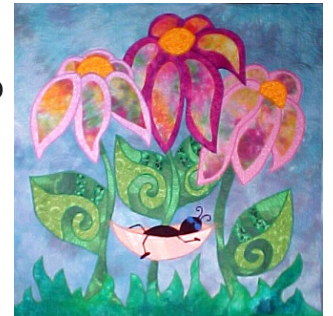

My quilts have been described as whirlwinds of color, with oranges residing next to purples of all shades in harmony. Dots, swirls, and stripes intermingle with florals and prints in an outlandish yet exciting visual parade.

This is how I see the world and how I want the world to see me.

My work mixes traditional quilting techniques with bold, innovative machine appliqué and thread work. Fabric choices include my own hand dyed cotton with commercial cottons for a special spark of color and depth. Pieces are heavily machine quilted.

The images are meant to spark thought and a smile, as humor is a great gift to share.

With the release of my new book *Pieced Hexies...* Well, I feel I have come full circle. So while you may know me initially as an Art Quilter... I am also a Traditional Quilter.

“There is more than enough fabric in the studio to be both an Art Quilter and a Traditional Quilter!”

Workshop “Old School Quilt” by Mickey Depre

Saturday, February 9, 2019, 9:00 am - 4:00 pm

Sometimes “old school is best school” I say. This quilt is a one block quilt with a small secondary block introduced in the unique top and bottom borders.

“Maddock” is the name I have given to this unique original block. That is the name of my grammar school and thus the name Old School for the quilt was the perfect fit.

I chose to do my blocks in a scrappy style – using a civil war reproduction palette.

Now let’s be honest...just a few blocks are going to get finished in any workshop and I would rather spend the time with you creating blocks and learning all the tips and tricks then cutting fabric for a few hours. So for this block if you come with fabric cut into 2.5” strips or grab a jelly roll we can jump right in and have some fun.

See the supply list for further hints on fabric selection. I can’t wait to see your version of “Old School”

Cost for the workshop is \$45.00 + 7.00 pattern download

This includes lunch, water, coffee and tea. Please bring your own snacks and any drinks that you would like.

You will also be required to download a PDF pattern from Mickey’s website for \$7.00.
