### **BOXY TOTE**

#### ***Supply List***

Sewing machine

Basic sewing supplies: thread, good fabric scissors and an old pair to cut through the zipper ruler, marking pencil, pins or medium wonder clips,

fat quarter or ¼ yard of cotton fabric for the outer bag;

Choose a non-directional print (at least 9 inches in length).

fat quarter or ¼ yard of cotton fabric for lining; I prefer a dark color solid so it won't show dirt easily.

(Bring remaining fabric after preparing your pieces from below.)

14" nylon zipper wide; contrasting or same color as fabric

¼ yard of 45" wide medium weight interfacing

Scraps of batting; two 9"x13" pieces and one 1"x8" piece

Four inch piece of 7/8 grosgrain ribbon, or use a 4"x4" piece of outer bag fabric for tab

Extension cord (and power strip if possible)

Walking foot is helpful

#### ***Prior to Workshop***

Layer one 9x13 interfacing piece, a 9x13 piece of batting and finally the outer bag 9x13 fabric on top. Quilt all 3 layers together at about ¼" intervals. (The edge of the walking foot works well as a guide.)

Repeat this process with:

Layering one 9x13 interfacing piece, a 9x13 piece of batting and 9x13 lining fabric.

***Bring these pieces, your remaining materials and supplies and leave with your BOXY TOTE!***
